

PRMS In-Person Risk Management Education Programs

PRMS presents risk management educational sessions in various formats that educate residents and practicing psychiatrists on the malpractice risks they may face. Our extensive knowledge in managing psychiatric risk is a result of nearly 30 years of specialty-specific protection, making us a leader in proactive risk management for psychiatrists.

TOPICS INCLUDE:

- **Telepsychiatry**
- **Treatment of patients with suicidal behaviors**
- **Psychopharmacology**
- **Social media**
- **EHRs**
- **And more!**

PRMS can present its programs to your Department of Psychiatry as a Grand Rounds, or to residents and fellows in one of our highly regarded PREP® sessions (PRMS Residents' Education Program).

FACULTY

- **Donna Vanderpool**, MBA, JD: Vice President, Risk Management, PRMS
- **David Cash**, JD, LLM: Assistant Vice President, Risk Management, PRMS
- **Ann McNary**, JD: Senior Risk Manager, PRMS

For more information or to schedule a session, contact Donna Vanderpool at Vanderpool@prms.com.

PRMS is accredited, with commendation, by the ACCME to provide CME.

ABOUT PRMS

Professional Risk Management Services, Inc.® (PRMS) manages The Psychiatrists' Program®, the professional liability insurance program for psychiatrists. Because of our dedication to psychiatry, we are experts in understanding and managing risk, handling psychiatric claims and developing specialized policies to protect our clients. We have provided these well-received educational programs throughout the country for over 15 years, often being asked back yearly by RTDs and trainees.

PRMS is not a commercial interest.

More than an insurance policy

Risk Management Resources for Training Directors and Residents

PRMS is pleased to make various risk management resources available for use in residency training programs at no charge. This is a limited list of our resources available to residents and training directors. Contact us for more information.

ON-DEMAND MOCK TRIAL

Our acclaimed Mock Trial is now online, so your residents can learn more about suicide risk assessment and the litigation process.

To request access to training materials, simply send an email to Vanderpool@prms.com referencing the Mock Trial Resource.

TELEPSYCHIATRY RESOURCES

1. Online course on the topic of telepsychiatry that covers legal and clinical basics available to trainees on PRMS U (see below).
2. Residents and Training Directors can join us in New York City for a live risk management event on telepsychiatry: education, open house, and more!

To be notified when registration is open (estimated Summer 2017), be sure to sign up at the PRMS booth.

PRMS U

Our new online education and risk management portal where residents can access on-demand courses, review our risk management newsletters and articles, view state-specific resources, and much more.

To request access to PRMS U, simply send an email to Vanderpool@prms.com referencing PRMS U.

PREP® (PRMS' PSYCHIATRIC RESIDENTS' EDUCATION PROGRAM) & GRAND ROUNDS

See reverse side for more information about our in-person educational programs on a wide variety of relevant and vital topics.

VIRTUAL POSTER CONTEST FOR RESIDENTS:

Our first ever virtual poster contest presenting an opportunity for residents to share their research. Contact Donna Vanderpool for more information.
